Dear Mr Rennie,

Application of the Standards of Integrity and Conduct to Southern Response Earthquake Services Limited (SRES)

I refer to your letter of 1 October 2014.

I advise that SRES is comfortable that you issue and apply the Code to our Company from 1 January 2015. We appreciate that this means that the Code will apply to SRES, our employees, and any contractors and subcontractors, as we collectively carry out our functions, duties and powers.

There are no issues relating to SRES that will require special consideration.

The SRES Ethical Behaviour Policy was ratified by our Board on 19 August 2013, and is set out to be read in conjunction with SSC Standards. We will review the Policy, amend it as necessary, and have any revised Policy operative before 1 January 2015.

Please contact me if I can provide any further information.

Yours sincerely,
